

KUNDLA LAHARIKA

Vijayawada, Andhra Pradesh | 8249578346 | laharikakundla@gmail.com

PROFESSIONAL SUMMARY

Motivated MCA student with a strong foundation in computer science, seeking to contribute to a reputed organization by applying my skills and continuously learning to meet evolving company needs. Quick learner with strong analytical, teamwork, and communication skills, committed to consistent growth and contributing effectively in collaborative, fast-paced environments.

EDUCATION

KL University | 2024 - 2026

Master of Computer Applications | CGPA: 9.6

KL University | 2020 - 2023

Bachelor of Computer Applications | CGPA: 9.16

Sri Chaitanya Junior College | 2018 - 2020

Intermediate | CGPA: 8.07

KCP Siddartha Adarsh Residential Public School | 2018

Schooling | Marks: 329

TECHNICAL SKILLS

Programming Languages: Python, C

Database: SQL (Joins, Subqueries, Aggregations, Normalization)

Cloud & DevOps: AWS (ECS, Fargate), Docker, Basic CI/CD concepts

Version Control: Git, GitHub

Web Technologies: HTML, CSS

Core Computer Science Concepts: Data Structures & Algorithms, Object-Oriented Programming (OOPs), DBMS, Operating Systems, Computer Networks

PROJECTS

Multiplayer Game – Connect4 using Python

- Developed a real-time multiplayer Connect4 game using Python and Pygame.
- Implemented socket-based communication for real-time gameplay between players.
- Designed an interactive GUI and integrated a live scoreboard system.
- Implemented game logic, event handling, and network communication for gameplay.

Containerized Application Deployment using Docker and AWS ECS

- Containerized a web application using Docker.
- Deployed containers on AWS ECS with Fargate for scalable cloud execution.
- Configured services and task definitions to run containerized applications.
- Gained experience in cloud deployment and container orchestration.

Disaster Recovery and Automated Backup System

- Developed a web-based system to automate backup and restore operations.
- Designed mechanisms to improve data reliability and fault tolerance.
- Implemented features to handle system failure recovery and data protection.

SOFT SKILLS

Strong Communication | Analytical Thinking | Quick Learner | Team Collaboration | Self-Management
